THANK YOU

We would like to thank everyone who came out and supported us at our festival. What a crowd we had. We send prayers of Thanksgiving for our beautiful weather. We appreciate all the wonderful chairs and co-chairs for all their hard work, along with there workers. This day would not be what it is without all of you.

We want to send a special thank you to our games chairperson, Christine Greenwald. She has put in many years and is stepping down this year. Thank you for all your dedication and hard work. So, in order to have games at our festival next year we need chairpersons. Please find it in your heart to help us out.

With blessings,

Dan Salzbrun
Festival Chairperson

Life's persistent and most
Urgent question is
"What are you doing for others?"

THANK YOU

The family of Fred Wurst wishes to thank all those who offered prayers, cards, or messages at the time of his recent funeral. They are much appreciated. St. Wendelin's was always close to Fred's heart.

ST WENDELIN FESTIVAL 2023 THANK YOU

RAFFLE

Thank you to the Raffle Committee who begin each year in March putting together another spectacular ticket that is just as great or better than the year before. We appreciate the many vendors and local community members who so willing "give" when they are called each year. We also appreciate the many super sales people of the community who continue to sell many extra tickets. Everyone's dedicated effort makes for our ticket sales to prosper each year.

DINNER

With extreme gratitude I would like to thank everyone that came out and enjoy our parish dinner. I see many of the same faces and I am truly grateful you keep coming back. I have a special thank you for the people that stepped up this year to help cover the workers that could not make it. You all did such a wonderful job. I greatly appreciate everyone that brought in the pies, they were all very delicious. Everyone did a great job from set up to take down. You are all very special to me, and I enjoy working with all of you. You have the patience with me when you ask me for something and I get side tracked or forget (that happens more often than I like) so to all of you God bless you and enjoy the rest of the summer.

Thanks to Cory Broda for helping set up, and MANY THANKS to Thais Kiffmeyer who rolled all the straws! You are an angel, Thais! Thanks also to the customers who support our stand with so much delight! It is fun to see everyone!

Thank you to all the Lunch Stand crew! You are all great to work with and yes, you are all flexible! We want to thank Tom Henkel for getting the donation of charcoal from Nash Finch, it is much appreciated. Once again, we want to especially thank Tom and Scott for manning the grill ALL day. The burgers were great! Thanks to the onion friers and for the use of the Blackstone, they were delicious as well. We hesitate to start naming people individually as we may forget someone, but we thank each person who worked and were a joy to work with! We appreciate each of you! Several people worked two shifts, and some worked who did not even belong to our parish! I hope you know how much we appreciate each of you. Some of you made suggestions for next year and we will try to make those changes. Also, please consider becoming co-chairs for next year. It really is so good to work with so many kind people. We tried to thank each one individually, but if we missed you, Thank you from the bottom of our hearts!

May God Bless each of you.

Every person is brought into our lives by design. Ask yourself what lessons they hold for you and what lessons you might be teaching them.

We miss so much joy just because we don't open ourselves up. We can choose to embrace all the joy that today has to bring.

MAKE LIFE A LITTLE SWEETER

O let me shed a little light
On someone's path I pray;
I'd like to be a messenger
Of happiness today!

It may be just a phone call,
A smile, or a prayer,
Or long neglected letter
would lift the edge of care.

I want to spread some happiness
In what I say or do,
Make life a little sweeter
For someone else! Don't you?

TOO BUSY

My body may age
But my mind will stay young.
I've much left to do,
many songs to be sung.
Many roads to be traveled,
Much love to express,
Many souls that need aid,
Who are now in distress.
I will do what I can
To help brighten your day,
I will spread cheer and love
As I pass by your way.
The world is my oyster,
To have and to hold,
Why, I' really too busy
To ever grow old.

RECIPE CORNER

CARAMEL APPLE CHEESECAKE BARS

CRUST:

1 cup unsalted butter
2/3 cup firmly packed brown sugar
2 cups all-purpose flour
½ tsp. kosher salt

FILLING:

8 cups finely diced peeled apples
1 ¼ cups granulated sugar, divided
1 ½ tsp. ground cinnamon, divided
½ tsp. ground nutmeg
3 (8 oz) packages cream cheese, softened
3 large eggs, room temperature
2 tsp. vanilla extract
1 cup all-purpose flour
¾ cup firmly packed light brown sugar
½ cup old fashioned oats
½ tsp. kosher salt
½ cup unsalted butter, softened
¾ cup chopped pecans

Preheat oven to 350 degrees. Line a 9x13 inch baking pan with foil, letting excess extend over sides of pan. Spray foil with baking spray with flour.

For crust: In the bowl of a stand mixer fitted with the paddle attachment, beat butter and brown sugar at medium speed until creamy, 2 to 3 minutes, stopping to scrape sides of bowl. With mixer on low speed, gradually add flour and salt, beating until just combined. Press mixture into bottom of prepared pan.

Bake until golden brown, about 20 minutes. Let cool completely. Leave oven on.

For filling: In a large bowl, stir together apples, ½ cup granulated sugar, 1 tsp. cinnamon, and nutmeg. Let stand until apples have released most of their juices, 45 minutes to 1 hour. Drain apples, discard liquid.

In the bowl of a stand mixer fitted with the paddle attachment, beat cream cheese, eggs, vanilla, and remaining ¾ cup granulated sugar at medium-high speed until smooth, 2 to 3 minutes. Pour onto cooled crust. Gently spread apple mixture on top.

In a medium bowl, whisk together flour, brown sugar, oats, salt, and remaining ½ tsp. cinnamon. Using a pastry blender or fork, cut in butter until mixture resembles coarse crumbs. Stir in pecans; sprinkle onto apples.

Bake until center is set and an instant read thermometer inserted in center registers 160 degrees, about 45 minutes. Let cool completely in pan on a wire rack. Refrigerate, uncovered, until cold, at least 8 hours or up to overnight.

Using excess foil as handles, remove from pan, and cut into bars. Serve with Salted Caramel Sauce.

SALTED CARAMEL SAUCE:

1 cup granulated sugar
¼ cup water
½ cup heavy whipping cream, room temp.
6 Tbsp. unsalted butter, cubed and softened
1 tsp. kosher salt
2 tsp. vanilla extract

In a small saucepan, stir together sugar and ¼ cup water until combined. Bring to a boil over high heat. (Do not stir.) Cook, without stirring, until caramel turns a deep amber color and an instant-read thermometer registers 355 degrees to 360 degrees, 15 to 18 minutes.

Remove from heat. Carefully whisk in cream until well combined. Add butter and salt, whisking until butter is melted and well combined. Stir in vanilla. Pour into a heatproof container, and let cool completely.
