SCHOOL NEWS

The season of Lent brings opportunities for students and staff to reflect on the greatest gift, the gift given of Jesus. Special activities include praying with our Chaplets we received on Ash Wednesday, Stations of the cross and other Lent activities.

Recently we received a grant that allow us to purchase additional Montessori instructional materials as well as some attractive cabinets to store the materials. The next time you are in school check out the cabinets in the coat areas outside the classrooms.

Our fundraising committee is busy with plans for the spring fundraiser on April 26th. Be sure to mark your calendars so that you can join us for this fun event.

Anyone interested in enrolling a child in the preschool or K-6 program should contact the school ASAP. We have have had a number of new families stopping by for tours and general information. Our preschool is limited as to the number of children we can accommodate so don't wait too long to let us know you are interested.

Bonnie Massmann, Principal

PRESCHOOL NEWS

The beginning of Lent brought a halt to our weekly bible stories and kicked off our daily chaplet, weekly Stations of the Cross and a deep dive into the Sorrowful Mysteries. They grow more confident each day, and some lead the prayers with a loud, clear voice. Except for the Apostles' Creed - that one we need to say together!

The end of the second trimester has us assessing everyone and putting more emphasis on producing quality work; especially with their handwriting. They work daily on correctly tracing letters, numbers and shapes, we continue to work on rapid number recognition, we have introduced simple addition, and have begun to practice and identify rhyming words. These last two months of the school year are geared up for some big advancements!

Mrs. Haselkamp and Mrs. Gruenes

KINDERGARTEN NEWS

In the last week we have focused a lot on Lent and ways to prepare our hearts for Easter through fasting, prayer and almsgiving. I asked the students to think about a change within themselves they would like to pray for. I got some amazing responses I will share with you. 5TH & 6TH GRADE NEWS

Students are continuing prayer through their Lenten chaplet, "Silent Lunch", Stations of the Cross, and rosary. They will also be receiving the sacrament of confession at the Lent "Confesstival". These preparations during Lent help us all keep in mind the importance of Christ's passion and death for our salvation.

The 5th and 6th grade class is working on gardening plans for when we plant. They've been discussing soil qualities, plant choices, and plant needs. Depending on weather they may be out sooner than later to put up the bed.

Have a blessed Lent!

Mr. Walls

1ST & 2ND GRADE NEWS

It is Lent! The students have been busy learning about the passion, death, and resurrection of Jesus. A few weeks ago Father demonstrated how to become a disciple of Jesus. He would ask each student for their name and if they were a disciple, when they responded with an ecstatic "yes" he told them to take up their cross and they physically carried our cross to each station. It was a beautiful lesson for the students to learn what it means to take up the cross. We talked about how each of us have struggles in life but Jesus wants us to carry those difficulties with us. After all, they make us so much stronger! After that we talked about the three key sacrifices we make throughout this Lenten season. The students are busy fasting from temptations, praying their Chaplets every day, and trying to give more of themselves to those that need it!

We are partnering up with the St. Johns and St. Bens nursing program! Nine nursing students have been visiting with the first and second graders for a couple Thursdays throughout this month. Our students are learning a great deal about proper hand washing techniques, how to keep their teeth healthy by brushing correctly, and some are even learning about healthy eating habits. It is a real treat as both groups are learning so much from each other!

Blessings,

Rebecca Rebstock

LUXEMBURG 4-H

Luxemburg 4-H met on March 11th and had a guest speaker about wool production while we decorated pictures of sheep. The speaker described how sheep produce wool which is cleaned, combed and spun into yarn.

Our next meeting will be Monday April 14th, 6:30-7:30pm. Students grades K-12 and their parents are welcome. We will do a short activity and then discuss possible community service project ideas.

Jason Wurst

3RD & 4TH GRADE NEWS

The month of March we spent learning about Saint Patrick and some Old Testament Trivia.

We have been reflecting about the meaning of Lent and spent some time learning about how alms giving, fasting, and prayer can help us grow closer to Jesus this Lenten season.

We have also been following the Iditarod sled dog race and learning about military time, multiplication, and gathering data from a table. We were lucky to have a local musher come and give us a demonstration with her sled and dog.

The students have started focusing on their creative writing skills and in one month their progress is incredible and their cursive is beautiful.

Thank you for your continued support and prayers.

Mrs. Deering

BLESSING OF HOLY OILS

Bishop Neary will bless the holy oils during a Mass at St. Mary's Cathedral on April 10th for use in parishes during the year. These three oils are contained in the ambry located near the baptismal font at St. Wendelin.

OIL OF THE SICK is used in the sacrament of the sick to "bring the strengthening and healing power of Christ".

OIL OF CATECHUMENS is used at Baptism to remove original sin and for the anointed one to become a member of the church.

SACRED (HOLY) CHRISM is used to anoint Confirmation candidates, also to anoint the hands of a priest and the head of a bishop at their ordination. This oil is used in the dedication ceremony of a new church. The bishop anoints the altar and also the walls in 12 to 14 places.

RECIPE CORNER

Ron Albers

STRAWBERRY-LEMON TIRAMISU

2 lbs. fresh strawberries, hulled and quartered
1 ¼ cups granulated sugar, divided
4 Tbsp. fresh lemon juice, divided
¼ tsp. kosher salt
½ cup water
1 (8 oz) package cream cheese, softened
¾ cup confectioners' sugar
2 ¼ cups cold heavy whipping cream
2 tsp. vanilla extract
1 (7 oz) package crisp ladyfingers
Sliced strawberries, for topping
Garnish: fresh mint

Preheat oven to 400 degrees.

In a 13 x 9 glass baking dish, stir together quartered strawberries, ¼ cup sugar, 2 Tbsp. lemon juice, and salt until well combined.

Bake until berries are very soft and fragrant and have released ample juices, about 30 minutes, stirring every 10 minutes. Immediately strain strawberries through mesh sieve over heatproof bowl, reserving juice and berries separately.

Add ½ cup water, remaining 1 cup sugar, and remaining 2 Tbsp. lemon juice to berry juice, and whisk until sugar dissolves.

In a bowl of a stand mixer fitted with a whisk attachment, beat cream cheese and confectioners' sugar at medium speed until combined; scrape sides of bowl. With mixer on medium low speed add cold cream in a slow, steady stream; scrape sides of bowl. Beat at medium-high speed until stiff peaks form, 2 to 3 minutes. Beat in vanilla.

Spread a thin layer of cream cheese in bottom of an 8 inch square baking dish.

Dip about half of ladyfingers into juice mixture, tightly arranging in a single layer in pan, cutting to fit if necessary. Spoon more juice mixture onto ladyfingers as needed to soak any dry spots. Top with half of the roasted strawberries. Spread a thick layer of cream cheese mixture unto ladyfingers in pan. Repeat procedure with remaining ladyfingers, remaining juice mixture, remaining roasted strawberries, and remaining cream cheese mixture. Cover and refrigerate for 6 hours or overnight. Serve chilled. Top with sliced strawberries. Garnish with mint, if desired.

DIVINE MERCY

Have you ever had a song verse run thru your mind, repeating itself time and time again?

Most of us have, myself included. The song I was hearing over and over recently is one that has become popular of late in our liturgies, “Go Make a Difference”. Indeed, don’t we all want to make a difference? That said, our Parish Liturgy Committee is attempting to do just that by promoting the

Divine Mercy feast and devotion. Hence, this article which hopefully will deepen your understanding while encouraging you to make Divine Mercy practice a part of your daily walk with the Lord.

First off, the feast of Divine Mercy is relatively new, coming up on its silver jubilee in just a few weeks. Yes, come April 30th, 2025, it will be 25 years since Pope John Paul II (now St. John Paul) in Rome, before a crowd of some 200,000 people, canonized to sainthood, his fellow Pole, and humble nun, Sr. Marina Faustina Kowalska. After this momentous event, he is said to have remarked, “This is the happiest day of my life.” Then just 5 days later on May 5th, (another silver jubilee) he proclaimed that going forward, each year the Sunday after Easter would be Divine Mercy Sunday, which this year will be April 27th.

The feast is based on diary revelations about divine mercy received in the 1930’s by Sr. Faustina, during which, at different times, Jesus requested that a feast of Divine Mercy

be established. Also approved by the Pope was the Divine Mercy image which depicts Jesus with His right hand raised in blessing with red and white rays coming from His heart signifying the blood and water which He shed for our salvation. At the bottom are the words, “**Jesus, I Trust in You**”, the very heart of the Divine Mercy message. You’re likely well aware that this image is prominently displayed in our church towards the front on the St. Joseph side just behind the piano. There is also a smaller image just to the right as you come into church on the table by the holy water font, with small Divine Mercy holy cards available for the taking.

Other practices associated with Divine Mercy include the chaplet prayer which is said on rosary beads, the Novena which begins each Good Friday and the daily 3:00 pm Hour of Mercy or “Hour of Power” as dubbed by Drew Mariani, author and Relevant radio personality, in his book “Divine Mercy”. Mariani reminds us to “**Pray Big**” citing numerous examples of appeals to Divine Mercy powerfully answered going so far as to say the 2009 Miracle on the Hudson (the plane that crash landed in the Hudson River with all passengers and crew surviving) led to another miracle, a Miracle of Divine Mercy!!! Yes, Mariani states, that although exceptional pilot skill surely played a part in the happy ending to this very risky crash landing, yet another little known but even more important factor came into play. He indicates the safe landing could well be attributed to the fact

DIVINE MERCY

that a passenger had prayed the Divine Mercy chaplet the previous day during the Hour of Mercy and at the time of the crash landing (3:30 pm ...midway thru the Hour of Mercy), that same passenger was reading Sister's "Diary". Speculation? Definitely! Only God knows for sure! But Mariani leaves little doubt that **great favors can be obtained via appealing to Divine Mercy especially during the 3:00 to 4:00 pm hour** and that he believes Divine Mercy played a key role in this happy ending!!!

So how are we to respond to this feast? As Fr. Joseph, MIC said in an article in the Spring 2025 issue of *Marian Helper*, **"We are meant to be the living Images of Divine Mercy, shining rays from our hearts just as Jesus does!"** In other words, always reach out to others with the same love and mercy that Jesus so readily shows us!

Hopefully the above has given you some of the basics about Divine Mercy and perhaps even whet your appetite to learn more. If that's the case, please know there's a wealth of information out there, whether it be pamphlets, videos, many books including Faustina's "Diary, also the above mentioned "Divine Mercy" by Drew Mariani and finally the "By His Mercy" books (series of 4 first printed in 2018) by local author, Tricia Walz. Walz's series highlights how ordinary Catholics (including some you might well know) have seen God's mercy in their lives. Check with your favorite book store or go on line to learn firsthand how to get these and other materials that are abundantly available.

As we come closer to the actual April 27th feast day, please watch upcoming bulletins for more information on Divine Mercy facets. On the feast day, various parishes throughout the diocese (including nearby St. Mary's Cathedral in St. Cloud) will mark the day with special services that may include Adoration, speakers, opportunity for Confession, private prayer along with the availability of a plenary indulgence. Details will be shared as they become available.

In the meantime, as followers of Jesus, no matter what we encounter in our daily faith walk, may our wholehearted trust in Jesus, enable us to live out the Divine Mercy message by emphatically saying time and again

JESUS, I TRUST IN YOU!

In so doing, you may be sure that you will **MAKE A DIFFERENCE!**

ATTENTION ST. WENDELIN PARISH!!!!!!

Governor Walz has **proposed eliminating Minnesota nonpublic school funding**. How does this impact your child? Nursing services for annual hearing and vision screening, transportation for students in our bussing area and over \$7000 each year at St. Wendelin's in textbooks, educational resources, iPads, Chromebooks, etc.

What can you do? Contact the Governor and state representatives.

Every student deserves access to the resources they need to succeed, no matter where they go to school.

Please take a moment to call the Governor's office and respectfully urge him to drop this harmful proposal.

Is the phone line busy? Here's what you can do:

- Wait on the line
- Call back later in the day
- Leave a voicemail message if presented with the option

Suggested Phone Call Script

You can read from our provided script below or share your own thoughts on the topic—whatever makes you most comfortable. Reminder to always be respectful when speaking with elected officials and their staff.

Hello, my name is [Your Name], and I'm a constituent from [Your City].

I strongly oppose the elimination of nonpublic pupil aid in the Governor's budget proposal. These vital funds ensure that Minnesota children attending nonpublic schools have access to essential educational resources, including textbooks, counseling services, and transportation, like all other students in the state.

Cutting over \$50 million in aid per year would unfairly target these students and make educational choice unaffordable for many families. Nonpublic schools save the state nearly \$500 million annually by educating kids outside the public system, and these cuts undermine that savings and the principle of supporting all students.

I respectfully call on Governor Walz to drop this harmful proposal and urge legislators to reject any attempt to eliminate nonpublic pupil aid. Thank you!

WHAT ELSE CAN I DO?
