## THANK YOU

To our St. Wendelin School students for taking part in a living rosary on Tuesday, morning, May 20th in Mary Hall! With students seated on the gym floor gathered around a huge rope rosary, each one said his/her assigned prayer while also lifting up that particular bead, all under the guidance and encouragement of teacher, Kim Gruenes, along with the other teachers/ staff. Also present were a half dozen of our regular Tuesday morning rosary prayers who gratefully observed this special prayer time with our youth and came away gratified that this devotion, so loved by our Blessed Mother, is being taught to our young people. Again, Thanks and God Bless to Kim and all our teachers, staff and students for reverently bringing "to life" this much loved prayer!

From a grateful Saint Wendelin parishioner!

## **PARISH LIFE COMMITTEE MINUTES**

The meeting opened May 8<sup>th</sup>, 2025, in Mary Hall at 6:30 p.m. with prayer.

**MEMBERS PRESENT:** Tracy Dombroski, Ginia Meyer, Geralyn Hurrle, Keith Koltes, Kathy Watrin and guest Todd Hurrle

**MEMBERS ABSENT:** Char Volkmuth

Tracy gave an update on compiling information for a parish directory to aid in communication in our parish. After discussion, it was decided parishioners who had not completed the survey should receive a personal phone call to help with making a parish directory more complete.

Kathy gave an update on our new welcoming packet for new members to our parish. She had handed two out so far. It was decided that it may be best if group leaders were the welcome people and the contact for new members.

There was discussion on whether there is a need for more hospitality for people in our community who are going through difficult situations, whether it be needing a ride to an appointment or Mass or in need of a hot meal. If anyone has any ideas or thoughts on this, please contact a committee member. We will investigate this further.

Todd Hurrle was our guest and explained how "All Things New" restructuring meetings are going. Father Erik had asked Todd Hurrle and Tracy Dombroski to represent our church at these planning meetings along with other ACC members. They are tasked with bringing a plan for our cluster to the bishop by the end of December 2025. Currently, our diocese has 131 parishes with 60 active priests, less members, less baptisms, less weddings and Mass attendance is down. Taking all this information into account, they need to come up with a plan. The bishop would like the priests to each have one church instead of two or more. This will be a very difficult task, and all were asked to pray for wisdom for all involved in this decision and for people to come back to the Church. There is a significant need for parishioners to communicate and to re-engage in their parishes.

It was decided that a parish mission will not happen until the new diocesan restructuring plan is known. We hope to pursue this in the future, and it will be for our entire cluster.

The meeting closed at 7:35 p.m. with a closing prayer led by Tracy.

Respectfully submitted in Char's absence,

**Kathy Watrin**

.....  
Happiness cannot come from without. It must come from within. It is not what we see and touch or that which others do for us which makes us happy; it is that which we think and feel and do, first for the other fellow and then for ourselves.

To find the air and the water exhilarating; to be refreshed by a morning walk or an evening saunter...to be thrilled by the stars at night; to be elated over a bird's nest or a wildflower in spring---these are some of the rewards of the simple life.

## **PRESCHOOL NEWS**

May was a very busy month for our school! We celebrated Grandparents' Day with mass, where one of our preschoolers read petitions, followed by breakfast and showing off their hard work and accomplishments. We celebrated the wonderful volunteers who help keep the school running, and ended the month with a graduation ceremony for the 6th graders and field day!

As the end of the school year quickly approached, the preschoolers continued working hard. Nine of them will be moving up to kindergarten in the fall and they have been working on spelling, reading, neat penmanship, and simple addition. We are confident that they are going to go far in Mrs. Matchinsky's class next year! It's bittersweet to say goodbye to them, some of whom we've had for two years, but it's so obvious that they are ready for the next step.

We are also ready to take the next step. Mrs. Haselkamp will be stepping up as the full time preschool teacher in the fall and Mrs. Gruenes will be stepping down. We thank you for your prayers, encouragement and support this past year. Blessings to you all.

**Mrs. Haselkamp and Mrs. Gruenes**

## **KINDERGARTEN NEWS**

It is always hard to believe that the end of the year is approaching again! It is a wonderful time to reflect on all the growth and progress we've made. The children have been working on some writing activities where they have to write about favorite memories for the year, and also write about their goals and aspirations for the future. The students also worked on writing a book about their mother for Mother's Day.

In religion, we learned about the children of Fatima and we were able to watch Pope Leo be introduced. We held our final all school rosary prayer time and were able to pray with some of the parishioners. This year has been full of blessings!

**Mrs. Matchinsky**

## **1<sup>ST</sup> & 2<sup>ND</sup> GRADE NEWS**

The 2024-2025 school year has come to an end. The first and second graders learned so much this year. I am particularly proud of the writing skills they gained this year. Their most recent project, a personal narrative, has proven to be a fun topic to write about. Another topic the children enjoyed writing about this month was 'peace'. Inspired by our new Pope Leo XIV and his call for peace in the world. The children turned peaceful adjectives into an Acrostic style poem. Here is an example from one of my second graders,

P: Patient  
E: Enjoyable  
A: Amazing  
C: Comforting  
E: Everlasting

Thank you for all the support you have provided to us throughout the year. We could not be successful without you! We pray that you have a lovely summer and look forward to sharing our achievements with you in the fall.

God Bless,

**Rebecca Rebstock**

## **5<sup>TH</sup> & 6<sup>TH</sup> GRADE NEWS**

May was an exciting end of the year for the 5th and 6th grade students. We attended our class field trip to the Capitol, Fort Snelling, and the Bell Museum. Students celebrated Grandparent's Day by showing their musical talents and classroom activities. We also recognized the 6th graders for their achievements at St. Wendelin's. Congratulations to them and all their future endeavors.

Thank you to all volunteers and to the community for helping make this year special for the students!

**Mr. Walls**

### **3<sup>RD</sup> & 4<sup>TH</sup> GRADE NEWS**

In our last month of school, we have learned about Saint Damien of Molokai and his voluntary dedication to serving the sick. We also completed our Junior Achievement program that teaches kids about making sound financial decisions.

As the school year is winding down, I asked the students to brainstorm some of their favorite things we have done this year.

These are a few of the highlights from their very long list.

Making posters in Language Arts

Learning about Saints and the Countries they came from

Science Experiments like the Egg Drop and Building a Boat

When Father Erik brought his friend Thomaso to visit our classroom

Having our own Bibles

Our class pet Emily

Writing in our journals everyday

Playing at recess

Field Trips

Thank you so much for all your support throughout the entire school year. St. Wendelin's School is a very special place that I am thankful to be a part of.

**Mrs. Deering**

### **LUXEMBURG 4-H**

Luxemburg 4-H met on Monday May 12.

We talked about fair exhibits like foods or crafts. We also talked about decorating a booth at the fair with our club name.

After the meeting we decorated birdhouses and Amanda V. told us facts about birds.

Reported by **Scarlett L.**

Begin doing what you want to do now.

We are not living in eternity.

We have only this moment;

Sparkling like a star in our hand—and  
melting like a snowflake.

### **LIVE IN THE MOMENT**

To be in the moment means  
To sit in reflection, in silence,  
Allowing for thoughts and emotions  
To flow freely.

It means to take a breather  
From your everyday schedule  
To enjoy the simple things in life.

To be in the moment; means  
Not letting life pass you by.  
It allows you to experience  
Each moment for what it is  
And then let it go  
Like a feather floating in the wind.

To be in the moment allows us  
To see the many blessings we have---  
The wonderful gifts  
That we so quickly look past  
In our day-to-day lives.  
It means truly and entirely living.

### **PEACE**

It does not mean to be in a place  
Where there is no noise,  
trouble, or hard work.  
It means to be in the midst  
Of those things  
And still be  
Calm in your heart.

When you talk to those who matter most, open the door to your heart. The wider it is, the easier it will be for things like compassion and understanding to come inside. And it just naturally follows...the more wonderful visitors you have, the more your life will shine.

**RECIPE CORNER**

Ron Albers

**BLUEBERRY POUND CAKE**

1 ¼ cups unsalted butter, softened  
1 ¾ cups granulated sugar  
2 ½ tsp. lemon zest  
5 large eggs, room temperature  
1 tsp. vanilla extract  
2 1/3 cups plus 2 Tbsp. flour, divided  
1 ½ tsp kosher salt  
½ tsp baking soda  
½ cup whole buttermilk, room temperature  
1 2/3 cups fresh blueberries  
Garnish: confectioners' sugar

Preheat oven to 325 degrees.

In a bowl of a stand mixer fitted with the paddle attachment, beat butter, granulated sugar, and lemon zest at medium speed until light and fluffy, 3 to 4 minutes, stopping to scrape bottom and sides of bowl. Add eggs, one at a time, beating well after each addition. Beat in vanilla.

In a medium bowl, whisk together 2 1/3 cups flour, salt, and baking soda. With mixer on low speed, gradually add flour mixture to butter mixture alternately with buttermilk, beginning and ending with flour mixture, beating until just combined after each addition and stopping to scrape the bottom and sides of bowl.

In a small bowl, toss together blueberries and remaining 2 Tbsp flour until coated. Using rubber spatula, fold blueberry mixture into batter until well combined.

Spray 10-cup Bundt pan with baking spray with flour. Spoon batter into prepared pan gently spreading with an offset spatula.

Bake until wooden pick inserted near center comes out clean, 1 hour to 1 hour and 5 minutes. Let cool in pan on wire rack for 15 minutes. Invert cake onto wire rack. Garnish with confectioners' sugar.

## St. Wendelin's Parish Organ Tour of the American Guild of Organists Twin Cities Chapter (April 26, 2025)

On Saturday morning, April 26<sup>th</sup>, history repeated itself at our church when a group from the Twin Cities Chapter of the American Guild of Organists came to hear our organ. This time, though on a smaller scale, the gathering of about 50+ people was reminiscent of one here in August of 2017 that filled our church with some 250 organ enthusiasts from around the country and beyond. **Though nearly eight years apart, both gatherings had a common focus...our historic organ thought to be the oldest functioning pipe organ in the state of Minnesota.**

As the visitors arrived, most on a bus but a few in their own vehicles, a sense of excitement was definitely in the air. Upon entering the church, they were greeted with a welcome sign, along with greetings from hostesses giving out programs and a goodie bag. Projected on the upper front wall was yet another welcome note along with a photo of our organ.

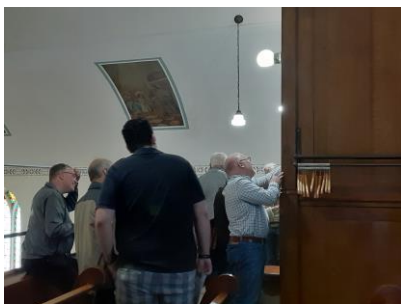

Once seated and waiting for the music to begin, visitors' eyes were busily taking in the many sights of our church. Soon thereafter, Dr. Kim Kasling, a skilled area organist and former professor of music at SJU, gave a few words of welcome including a thank you to

our parish organist, Mary Neidermeier for all her work in attending to the many details of the visit and to Karen DesAutels who wowed the group with her A+ hospitality especially the musically themed goodie bags which included, no less, a homemade cookie in the form of a musical note!!!

Shortly thereafter, when the long awaited moment came and the music began, all listened intently as Cold Spring organist, Lisa Drontle, masterfully brought out the best in this revered instrument. Some even ventured upstairs via our notorious one way staircase to see first hand, the organ being played. When the approximately 15 minute program was completed, more hardy souls followed, some even delighting in briefly playing the organ themselves.

Then, all too soon, though they and we, too, would have liked to linger, time did not allow that luxury as they needed to depart, so as to arrive on time at SJU, their next scheduled stop. Their departing smiles and words of grateful appreciation for our treasured organ as well as of our beautiful church are a constant

reminder to us to never take for granted all the history and beauty we have with us each day right in our midst!

May our historic organ continue to lead us in praise and worship and give joy to all well into the future!
