ADVENT

The new liturgical year begins with the First Sunday of Advent. In the beginning weeks of Advent the readings focus on the end times placing the coming of Christ within God's plan for salvation. The last weeks focus on the coming of Christ at Christmas.

The Advent wreath is made from evergreen branches with four candles to represent the four weeks of Advent. The purple candles for the first, second and fourth Sundays remind us to pray, do penance and good works. The rose candle used for the third Sunday symbolizes rejoicing.

The Jesse Tree represents the family tree of Christ as a member of the royal family of King David, whose father's name was Jesse. Each day an ornament or symbol is added to the tree representing a family member, event or prophecy.

"Advent, which prepares us for Christmas, is a time of expectation and hope in which we focus our attention on our encounter with Jesus, first during our life and then at its end when we will meet him face to face."

ADVENT BEGINS NOVEMBER 30TH

May hope, joy, peace and love
Fill your heart.

SCHOOL NEWS

PRESCHOOL NEWS

This month in preschool we have discussed what we are thankful for. The top things our preschoolers are thankful for are Mom & Dad, family, siblings, friends, God, and food. In Seeds, our religion program, we have learned about ways we can show our love for God and our neighbors.

In rosary we finished learning about the Luminous Mysteries. The preschoolers are learning the parts of the rosary and how to follow along when praying the rosary. We are also working on genuflecting. Kneeling on one knee is a tricky task for some preschoolers so we will continue to practice.

We have finished working on our first set of letter sounds and have started learning the second set. A few students have even started working on spelling three letter words using the moveable alphabet. Many preschoolers are working hard on practicing their handwriting skills by tracing different types of lines.

God Bless,

Mrs. Haselkamp

1ST & 2ND GRADE NEWS

The students continue our normal routines for class. For literacy we continue with journaling, spelling, cursive handwriting, and reading comprehension. We have recently started doing parts of speech. In math the new trend is doing speed math sheets to beat their personal best times. In geography we have covered seven states. This includes their shape, location, capital, and abbreviations. We continue doing our leaf identification for science. Soon we will transition to parts of a plant from seed to adult. Lastly, in religion we have been reading Old Testament stories, miracle stories, learning about the seven sacraments, and the luminous mysteries of the rosary. They are working so hard every day!

KINDERGARTEN NEWS

This has been a busy month so far with lots of learning about Veterans' Day, the history of the first Thanksgiving, and the Luminous Mysteries. I typically try to highlight a few saints as well, so recently we've been learning about how Saint Frances Cabrini helped to bring the Kingdom of God to others here on Earth. We've also been reflecting on our blessings as Thanksgiving approaches, so I am sharing some of the things our kindergarten students are grateful for.

1ST & 2ND GRADE NEWS

The students in Mrs. Rebstock's 1st and 2nd grade class are quite thankful this month. We are feeling thankful for God's creation and the beauty that is all around us. A few of the students were able to see the Northern lights this month and others also took time for hunting trips with their families. Most importantly we are feeling thankful for the saints and angels that are in Heaven protecting us and being the best role models for us. The students loved learning about the saints, the way they lived their lives, and how they are still here with us today. We are wishing you a blessed Thanksgiving!

With gratitude,

**Mrs. Rebecca Rebstock's
1st and 2nd Graders**

SCHOOL NEWS

3RD & 4TH GRADE NEWS

This month the 3/4 classroom has been working on studying the skeleton. They have built one out of paper and fasteners and were surprised at how many little bones we have in our hands and feet.

The Institution of the Eucharist is one of the mysteries of the Rosary that we meditated on in November. We have spent a lot of time talking about and reflecting on how we receive Jesus in the Eucharist. In Geometry students learned about area and perimeter. They made a book about the differences which included string as a perimeter and construction paper to cover the area of a figure.

We are looking forward to the Advent season and preparing to celebrate the birth of our Savior. Thank you for your continued prayers and support.

Cassie Deering

5TH & 6TH GRADE NEWS

5/6 students began book clubs this month! Students are reading "Bridge to Terabithia", "Island of Blue Dolphins", and "The Sign of the Beaver" in small groups. Students share responsibilities, read the text together, and practice various literacy skills.

In religion class, students are learning about the "why" behind the Mass. From looking at the order of Mass to the various items used throughout, students are developing a deeper reverence and love for the Sacrifice of the Mass.

Finally, in science, students are exploring landforms and the layers of the earth. Through making their own topography maps, and making oobleck to understand the plasticity of the asthenosphere, students have loved the hands-on experience of exploring science!

May you all have a blessed Thanksgiving!

Jessica Bauer

A display was put up in the school hallway honoring Veterans associated with our school community. Pictures of students' families and friends that are either veterans or active military were displayed along with information about their service. Thank you to Mrs. Ruff, our music teacher, for heading up this project.

We completed our Candy/Pizza Fundraiser with a profit of almost \$8000. Our next major event will be our Make & Take on Dec. 6th. This is not a fund raiser but an event for area youth to gather for some seasonal fun. Check out the flyer in the newsletter.

All are invited to join us for the Christmas program on Dec. 16th with a 1:00 and a 6:30 show. With many new families this year we expect a full house for the 6:30 show, which will be followed by a social in Mary Hall. We will be taking the Christmas Program on the road again this year to entertain the Sisters at St. Scholastica in St. Cloud. Many Sisters reside there, including several that preciousely taught at St. Wendelin's.

GIFT CARDS AVAILABLE

Do you have family and friends that you don't know what they would like for a Christmas gift? Do you plan on making some purchases for gifts or your regular shopping from some nationally or regionally known chain stores?

Several times a year **St. Wendelin's School** will be placing an order for gift cards from a SCRIP program. The gift cards are from well known national or regional stores. Cards are purchased at face value by you and the program sells them to the school at a reduced rate. The profit to the school varies depending on the particular store. We will only be ordering the physical cards several times a year as we do not plan on keeping any cards on hand.

Some of these stores include Penny's, Kohl's, Menard's, Home Depot, Gap, Texas Roadhouse, and hundreds of other merchants. Check out the cards available when you go by going to raiseright.com, clicking on sign in, enter the following enrollment code to go to St. Wendelin's page. Enrollment Code: RR-IM8H36GYFP

We want to place one bulk order, as there is a flat shipping rate for all the physical cards we purchase. After choosing the store, and the number and denomination of the cards you would like, just drop off the list and a check at the school. The order will be placed on December 5th with the cards arriving the following week.

You can order at any time for your personal use from the site if you want the gift cards loaded onto your mobile device instead of physical gift cards. No shipping charges are incurred when loading onto your mobile device.

Thank you for helping the St. Wendelin's fundraising efforts by using the gift card program.

ST. ANNE'S CHRISTIAN WOMEN

November 23, 2025 Breakfast Update

Thank you to everyone who helped to make our "Giving Thanks" breakfast a huge success in so many ways. Our day started out with the good Lord giving us beautiful weather! We were blessed with so many of our Christian Women who gave of their time to work the breakfast. We were so very appreciative of the men who helped us with those heavy tasks needed to put on a breakfast. In thanksgiving, we pray that God's light shines on our generous donors of raffle items, the bakers who brought in their baked goods, our very creative members who shared their craft items, and to the students of our school for their artwork displayed on the tables and walls. Special thanks to those individuals who gave extra time needed in preparing for and cleaning up after the breakfast. **To our guests who attended our breakfast, we are so grateful to God that you came to eat with us!** You shared happy faces, you bought raffle tickets, you shopped at our bake sale and at our craft sale, you lingered through your breakfast enjoying fellowship with others AND you left with full stomachs. It was a delight serving breakfast to you! God Bless!

Breakfast Report: We served 338 Adults and 22 Children. The profit from the breakfast was \$5,514.06. Special thanks to Todd and Stacey for calculating our Event Worksheet so quickly! **As in past years, these proceeds will be used to financially helping our parish, our school and ministering to our community!**

RECIPE CORNER

Ron Albers

Here is a good way to use up some of your leftover turkey especially on these cold days.

ANYTIME TURKEY CHILI

2/3 cup chopped sweet onion
1/2 cup chopped green pepper
1-1/2 tsp. dried oregano
1 tsp. ground cumin
1 tsp. olive oil
2 garlic cloves, minced
1 can (16 oz) kidney beans, rinsed and drained
1 can (15-1/2 oz) great northern beans, rinsed and drained
1 can (15 oz) pumpkin
1 can (15 oz) crushed tomatoes
1 can (14-1/2 oz) reduced-sodium chicken broth
1/2 cup water
2 Tbsp. brown sugar
2 Tbsp. chili powder
1/2 tsp. pepper
3 cups cubed cooked turkey breast
Shredded cheddar cheese, optional

In a large saucepan, sauté the onion, green pepper, oregano and cumin in oil until vegetables are tender. Add garlic; cook 1 minute longer.

Stir in the beans, pumpkin, tomatoes, broth, water, brown sugar, chili powder and pepper; bring to a boil. Reduce heat; cover and simmer for 1 hour. Add turkey; heat through. If desired, top with cheddar cheese.
