THANK YOU

A big Thank you to the Lion's Club, Hayloft and the Notch family for the wonderful Pumpkin Palooza. It was a fantastic family-friendly event for all the kids and their moms and dads and grandparents too! The Notch sisters did an amazing job planning the many kids' games. I was impressed with their ingenuity and creativity. The Lion's club has so generously hired the petting zoo which was a hit and the great train ride they have been building this past summer. Their dedication to our community for over 40 years is such a Blessing. I am sure proud to be a part of this caring and generous community. Thank you to all involved in this event and May God Bless you!

SCHOOL NEWS

PRESCHOOL NEWS

A huge thank you to Jackie Massmann and Ms. Albers for teaching the Preschoolers the month of September while I was on maternity leave. I am blessed to come back to a great group of preschoolers this year!

This month the preschoolers have been working hard on learning the sign of the cross along with praying the before meal prayer. In our Seeds religion class we have discussed God's love for us and the ways we can grow in God's love.

We learned that eating healthy foods, daily hygiene, and rest help us to grow big and strong.

The preschoolers were able to use a measuring tape to measure how tall they are now and we will measure again at the end of the year to see how much they have grown! They really loved this hands-on activity!

We just finished learning about the Glorious Mysteries in our Rosary class.

The preschoolers have adjusted to the daily schedules and routines of our school day. We are looking forward to getting started on learning our letter sounds, numbers, and beginning writing!
God Bless,

Mrs. Haselkamp

1ST & 2ND GRADE NEWS

October has begun and our classroom is in full swing! Students have mastered our routine and expectations which leaves us with some more time and freedom to take on some fun activities

We have started learning about space, specifically our Solar System's planets. Every week we read an article about the planet of the week, then we watch a video about the planet, color the planet in our solar system, and color and cut out a big version of the planet and hang it on our wall to create a wall model! Students have also enjoyed some space simulation games on their devices where they can click on planets and even play games that allow them to test gravity or day lengths on different planets. However, the most exciting activity has been our Virtual Reality headset which allows the wearer to see space in 3D!! Students are able to look all around, reach out and grab planets, and even land on planets in 3D. It is like being really there!

Luci Mehr

Here are a few pictures that show the IPad simulation and the second two show the student using the VR headset and what they are seeing on the smart board.

SCHOOL NEWS

KINDERGARTEN NEWS

Kindergarten students have been diligently practicing and memorizing the prayers used to pray the rosary. Recently, we completed our study of the five Joyful Mysteries. This week, the entire school community gathered to pray a living rosary, an activity we engage in after exploring and praying all five mysteries.

Earlier this month, we enjoyed our annual visit from local firefighters to learn about fire safety and prevention.

Fall is a beautiful season here in Minnesota. Our class has been engaged in various fall-related activities, appreciating God's colorful creation and giving thanks for His many blessings. We discussed our five senses and explored ways to use and enjoy them during this special time of year. Additionally, this season is particularly exciting in kindergarten, as many students have mastered their letter sounds and names, and are beginning to discover the joy of reading independently.

Mrs. Barthel and Mrs. Matchinsky

1ST & 2ND GRADE NEWS

Greetings from Mrs. Statz's 1st and 2nd Graders!

We have been busy this month getting all our academic programs up and running!

Our 1st graders have been learning how to log in to their iPads and enter the titles—and sometimes the authors—of the books they have read for our Accelerated Reader program. This can be quite challenging for such young learners, but they are working hard and doing a wonderful job learning this new skill!

Our 2nd graders have been working on number lines and learning how to find various points on them.

As a whole class, we have also been reading the New Testament from The Story of All Stories: A Story Bible for Young Catholics. It has been a wonderful way to learn and grow together in our faith!

3RD & 4TH GRADE NEWS

During the month of October the 3/4 classroom has been studying St. Faustina, St. Therese, and St. Martin de Porres. The students also learned what a novena is and we prayed the St. Faustina Novena together.

In social studies students are researching the Underground Railroad. Students designed a lantern pattern and made their own lantern out of a tin can. Our classroom has also virtually adopted a dairy calf through the Dairy Excellence Foundation. Her name is Tiana and the farmer will send us monthly updates about her.

There is a group from AmeriCorps Seniors that is coming in help students learn the game of cribbage and sharpen their math skills. I encourage you to find your favorite 3rd or 4th grader and challenge them to a game of cribbage.

Cassie Deering

5TH & 6TH GRADE NEWS

The 5/6 class has been studying Minnesota history, specifically looking at how our state's landscape was formed during the Ice Age, exploring mammoths and mastodons, and looking at evidence of the first people through petroglyphs and artifacts.

In religion, students are learning about the four Cardinal virtues: prudence, temperance, fortitude, and justice. In honor of All Saints Day, we will be hosting a Saint Wax Museum in the beginning of November. Students have been researching the life of a Saint and are creating a report about them.

When the door of happiness closes, another door opens. However, often we look so long at the closed door that we don't see the one which has been opened for us.

PATRONAL FEAST DAY

Today, Sunday, October 25, at our 10:00 am Mass, we will remember our patron St. Wendelin (544-617) whose feast day was October 22nd.

Born in Scotland in 554 to a royal family, Wendelin surrendered his crown to lead a life of prayer and poverty. He traveled to Rome for an audience with Pope Benedict I who encouraged him in his pursuit of holiness. Eventually he went to Germany where he led a life as a hermit and herdsman. Various miracles and healings are attributed to him during those years in light of his life of simplicity and prayer. In 597, following the death of the abbot of the Benedictine monastery in Tholey, Germany, he reluctantly agreed to serve as abbot. Thus he's often depicted in Benedictine habit (miter on the ground as a sign of his humility) while also holding a sheep or shepherd's staff (see statue in the back of our Church) symbolizing both his earthly and monastic work. Another older carved statue is encased in our church front display case. This historic 16 inch figure was carried from Germany to America in the mid 1800's by Peter Maus, ancestor to generations of Maus families in our parish. History states that Peter, attributing his safe ocean crossing to St, Wendelin, promised to erect and name a church after him…thus our St. Wendelin Church,
Wendelin died in 617 and is widely venerated especially in the Diocese of Trier, Germany as well as in Austria,, Switzerland and his native Scotland.

St. Wendelin, Pray for us!!!

In Memoriam of Sister Marius Hiltner

Sister Marius Hiltner touched countless lives during her **39 years** in our community through her selfless service in education, music, liturgy, and friendship. To honor her lasting impact, a proposal has been made to dedicate a plaque in her memory through the St. Wendelin's Church Endowment Education Fund.

Generous donors have already contributed **$1,000.00** to this fund in her honor. Our goal is to take this tribute to the next level by reaching **$5,000.00** or even **$10,000.00** to further support Catholic education.

If your life was touched by Sister Marius's beautiful life of service or the values she stood for, please consider making a contribution. You can donate any amount by placing it in an envelope marked **"In Memoriam of Sister Marius – SW Endowment Education Fund"** and dropping it into the Sunday collection basket.
Please direct questions to Geralyn Hurrle at 320.266.1359 or geralyn.hurrle@gmail.com.

With grateful hearts, our parish community remembers the beautiful life of Sister Marius (Marjorie) Hiltner, OSB, who went home to the Lord on October 2, 2026, at the age of 92. Sister Marius passed away peacefully at Saint Scholastica Convent, leaving behind a profound legacy of faith, music, and love that touched generations of families across Central Minnesota.

A Beautiful Journey of Faith

Born in Freeport, Minnesota, on September 21, 1934, Marjorie was the youngest of six children born to Leo and Margaret Hiltner. Responding to a gentle call to religious life, she entered Saint Benedict's Monastery in 1950, eventually making her perpetual monastic profession on July 11, 1956. During her many years of devotion, she joyfully celebrated her Golden Jubilee in 2003 and her 60th anniversary of religious life in 2013.

Cultivating Joy Through Music and the Arts

Sister Marius spent 59 years serving in Catholic education and parish ministry. While she blessed many communities—including Lastrup, St. Cloud, Breckenridge, and St. Augusta—she holds a particularly dear place in the heart of **Saint Wendelin's parish and school in Luxemburg, where she served faithfully for 39 years**.

As a sixth-grade teacher, principal for 11 years, and parish organist, Sister Marius filled our lives with music. She had a unique, brilliant gift for engaging children in the arts, starting with musicals at St. Augustine and operettas in Breckenridge. At St. Wendelin's, she brought our faith to life by producing an annual all-school Christmas pageant and writing and directing a deeply moving Passion play performed by her fifth and sixth grade students. Crafted directly from the four Gospels, this Holy Week tradition became a staple of our parish celebration during Holy Week.

A Champion for Life and Selfless Servant

Beyond the classroom, Sister Marius was deeply passionate about instilling a profound respect for life in her students. For nearly 30 years, she proudly accompanied her sixth-grade classes to the annual March for Life rally in St. Paul, carrying artistically designed posters and standing up for the vulnerable.

Even in her later years, after moving to Saint Scholastica Convent in 2013, her servant's heart never rested. She continued to fill the halls with music, play the organ, assist with liturgies, and kindly accompany her fellow sisters to their appointments.

Remembering Sister Marius

Sister Marius is survived by her beloved twin brother, Leon (Midge), many cherished nieces and nephews, and her sisters in the Benedictine community. She was preceded in death by her parents, Leo and Margaret; her brother, Richard; and her sisters, Mary Goebel, Louise Hemker, and Elizabeth Carota.

May her soul, and the souls of all the faithful departed, through the mercy of God, rest in peace. Well done, good and faithful servant. Well done!
